

Minutes - Weaver Crossing Home Owners Association Meeting on April 7th

There were not enough homeowners in attendance to reach a quorum. Therefore, only updates and discussions took place.

Meeting called to order by Scott at 7pm.

Rick Goes reviewed the budget.

Below discussions took place.

- Suggestion we give Melvin a dollar amount we can spend and have him notify us before going over that amount.
- Need to mulch up front(B&B 20yds < \$400); college guys to spread ~ \$200-\$300.
- Will purchase new lights to fix broken one up front
- Put rope fencing at corner of Weaver Crossing and Weaver Hill
- James Thomas moving into house on Ridgepine
- Scott has called Steve about roads but has not gotten a returned call. He will continue to call him on a weekly basis. We need one more house on Weaver Hill before the state will take over the roads.

No motions were made.

Meeting was adjourned at 7:40pm.
